A Reminder to All Parents!!

In recent weeks, we have had the unfortunate occasion of the Spanish church having to ask us to stop OUR children from running around the church and disrupting their sacred Worship time. We **MUST** be aware that, although our worship service is over, these are still Sabbath hours, and our children need to be where we can watch them, not running around freely in the church. Please let us respect our brothers and sisters as they endeavour to have meaningful worship here Sabbath by Sabbath.
